

The M. T Stafford Trophy

The M.T. Stafford Trophy acknowledges the services of Michael Thomas Stafford who served as the Club's Professional for almost 50 years from 1921.

It was played as an annual 18-hole single stroke event for the first four years. Since 1966, the format has been an 18-hole fourball best ball versus par qualifying round with eight pairs to qualify for 18-hole match play.
